Resident Notice on Trunk Storm Sewer System Construction

Madison Township Trustees has contributed funds and received funding from the **Ohio Public Works Commission** and **The Lake County Stormwater Management Department** to do the following two projects.

Bathgate - N. Watling Way Storm Improvement – Phase II
OPWC Project Number CG68M

Orkney Road Area Storm Trunk System – Phase III
OPWC Project Number CG15N/CG16N

This notice is being given to residents on the construction route that will be affected by the construction. We apologize for any inconveniences.

The contractor on this project is Fabrizi Trucking & Paving. The following dates are approximate and may change do to a number of circumstances.

Daily work hours will be 7:00am -5:30pm – Monday to Thursday (4-10's – Friday make up day)

Clearing of trees in the construction path in the road right of way will be done beginning November 15.

Construction scheduled to start the 1st week of December.

Substantial completion of work done by mid March 2012.

Paving and restoration Spring of 2012 when weather permits.

Temporary interruption of water/sanitary sewer service may/could occur. Timely notice will be given to affected residents. There is the possibility that a water or sanitary sewer line may be damaged by accident. The contractor is doing all he can to avoid this. The lines are old and sometimes are not on locations they are shown to be in. Any damage will be corrected as quickly as possible.
