Mr. Price, Service Department, requested a motion to approve **Resolution #26-051**, A Resolution to enter into an agreement with Cowboy Construction of Geneva, Ohio, in the amount of twenty thousand, four hundred fifty dollars (\$20,450.00) to install improvements to the Madison Township Service Department.

The new playground equipment will be installed in the next two (2) weeks. The ground has been prepared and the molds are in place. As soon as the equipment is installed, the Service Department will get the mulch down.

Mr. Price said the Service Department has a Stormwater Project on Bates Road. The Township is upgrading a pipe across one of the crossovers on Bates Road. There is also a guard rail repair that needs to be done due to a motor vehicle accident.

The handicap swing is being cleaned up and will be delivered to Cardinal Woods. Mr. Wayman said the swing did not have proper usage at the Madison Township Park, but he is sure it will be used properly at Cardinal Woods.

The Township will be getting a fifty thousand-dollar (\$50,000.00) Community Development Block Grant which can be used toward the Road Project. This was an unexpected surprise due to another project falling through.

The Township received the American Rescue Plan Act (ARPA) funds back due to the cancellation of the Route 20 Sewer Project. Starting April 1st, Mr. Cook will be working on future projects to be used with the ARPA funds, such as a sidewalk on Chapel for Cardinal Woods residents, body cameras for the Police Department, Stanton Park, and other projects discussed.

Regarding the Northway Drainage Project, either the Embridge gas line or the stormwater project will have to be moved. Civil & Environmental Consultants, Inc. (CEC) is considering both options.

Mr. Cook said the Township is still waiting on the Ohio Department of Natural Resources (ODNR) permit for the Armor Stone Project at Stanton Park. M. Cook called ODNR last week, with no return call. CEC is calling them this week. Hopefully, the Township will have a better update by next week.
