With no new cases before the board, Chairman Hyrne asked Mr. Ungers to discuss any new and old business:

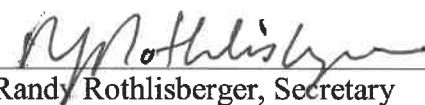

Mr. Ungers updated the board on the C-4 hearing which will be Thursday December 15. He briefed the board on issues we’re having with winery’s permitting people pull campers onto their property and camp overnight. The township may look into proposing some language to set some guidelines to control the issue. The board discussed our sign language. They may in the future review the code to make sure we’re up to date with current laws.

There being no further business before the Board, a motion to adjourn the Meeting at 7:14 p.m. was presented by Mr. Rothlisberger, seconded by Mr. Diak.

Roll call: All **“Ayes.”**
