

## Madison Township Transient Vendors Permit

The Madison Township Board of Trustees has passed a Resolution requiring transient vendors to wear their permits visibly at all times during solicitation activities. The permit must be worn in a lanyard provided by the township at the time the permit fee of one hundred (\$100.00) dollars is paid. If multiple applicants are on the permit, additional lanyards, costing \$5.00 each, must be purchased for each additional applicant. The permit is valid for 180 days from the date permit is issued. These new rules have been approved to help both the residents and vendors by showing proof of identify. If there are any questions contact, Michele Howell, Zoning Inspector, at (440) 428-1120.
